TaipeiPLAS Award

FCS won the inaugural TaipeiPLAS Award

FCS concluded TaipeiPLAS 2024 with a remarkable showcase, highlighting over 50 years of expertise in the plastics industry. In addition to the on-site orders over ten million NT Dollars, the 'SA Series' intelligent outward toggle injection molding machine, equipped with MuCell micro-foaming technology, won both the 'Gold Award' and the 'Aesthetic Award' at the inaugural TaipeiPLAS Awards....
