FCS celebrates 50th anniversary and new factory opening

Last week, FCS held a grand opening ceremony for a new factory in Qianwan New District, Ningbo. Over the past 50 years, FCS has grown from a 50m2 workshop to 5 factories covering nearly 300,000 m2 worldwide, continuing to invest and aiming to create a platform for the next 50 years of growth.

The Qianwan factory incorporates automated storage systems, smart manufacturing systems, efficient energy management systems, and photovoltaic power generation systems. It is expected to achieve annual turnover RMB 600 million to 1.2 billion, with an annual production capacity of 2,000
