FCS Concludes TAIMOLD with Success, Poised to Shine at VietnamPlas

FCS made a strong showing at the 2025 TAIMOLD Show with FB-150C co-injection machine, producing gradient water cups on-site. Paired with the iMF 4.0 smart manufacturing and energy monitoring system, **the demo generated over NT\$100 million in intention orders**, and also sold nearly 2,000 low-carbon pallets.

Next, FCS will head to VietnamPlas this September, featuring the popular SA short-stroke IMM with an automated packaging system, along with the FB-C co-injection machine...
